

Kia ora koutou Parents & Caregivers

This week is the final week at school for 2017. It has been yet another great year full of successes for our wonderful students, school and community. We have a busy week this week, so to make sure nothing is missed I have outlined the events below. If there is anything you are unsure of please do not hesitate to ask.

Monday

Shared Lunch for Mrs Park.

Apologies for the late notice of this event. We will be having a small farewell for Mrs Park with the senior students. If your child is in Year 3 and above, please bring along something to contribute towards a shared lunch. We will provide some pizza, sausage rolls and drinks in Room 1.

ROBOSHOPS Workshop

This is the final lesson for our students in this programme. From 2:30pm, parents are encouraged to come along and see what your child has been learning. You will get to see some of the coding and robotic learning they have been involved in. This programme has included all Year 3-6 students over the last four weeks.

Tuesday

Year 6 BBQ Dinner

This is an evening event for our most senior children to enjoy with their families before they make their big transition to Intermediate. If all families could please bring along a salad and something for the BBQ, that would be great. The school will supply some soft drinks, plates and cutlery. Please arrive from 5pm, with dinner at 6pm approximately.

Wednesday

End of Year Final Assembly/ Prizegiving

All parents and wider whanau are invited to come along and see our final assembly and prize giving for the year. Our students have been very busy practising their performances and would love to see everyone there. Please be seated so we can begin by 1:15pm.

Thursday

Final Day of School

As we have done in the past, our final day will end at 12:00pm. Though we are open for this half day, we encourage parents to send along more senior children who can help with packing up, tidying and then a final farewell for the Year 6's from the teachers.

Thank you to everyone who has helped out with various activities, work and our many support people who make our school such a great place for our students. We are very lucky to have everyone of you. Have a safe and enjoyable holiday and we will see everyone in the new year.

Jordan Palfrey
Principal
